

Happy 100th Day! 100 is 10 tens

no cutting · a chart for the whole day

Ten rows of ten dots. Each row is one ten. Ten tens make one hundred.

Count 100 things a collection mat and day counter

- **Color a dot or press a stamp in each box.** When a frame is full, say its number.
- **Counting real things?** Put one in each box, or make piles of 10 and color one frame for each pile.
- **1st grade:** say the tens: 1 ten, 2 tens ... 9 tens. Ten tens? That's 100!
- **Or use it as a day counter:** color the days done so far, then one box each school day until day 100.

100th day crown cut-out

Color: 10 dots in each frame and say the total. Go strip 1, then 2, then 3, left to right. 1st grade: write the totals. Check with page 1.

Build: cut out the 4 strips. A grown-up staples strips 2 and 3 on top of strip 1's plain ends, at the dotted lines. Wrap the band around the child's head and staple the two back ends together, overlapping plain paper only. Too small? Staple strip 4 behind the gap. Smooth side of each staple inside.
