Magic e words (silent e or CVCe words) end in a silent e that makes the vowel say its name: cap becomes cape.

Magic e words list one vowel, one consonant, then a silent e

Cap to cape read the short word, add the e, read it again

cap → cape	tap → tape	man → mane	plan → plane	kit → kite	pin → pine
rid → ride	slid → slide	hop → hope	not → note	rob → robe	cub → cube
cut → cute	tub → tube				

Read it out loud

1. Jane gave the dog a bone.
2. The kite is stuck in the pine.
3. Mike rode his bike home.
4. Pete has a cute mule.
5. Take the cube and hide it.
6. Kate and Dad made a cupcake.

Watch out the e is there, but the vowel is not long

have, give, live English words don't end in v, so an e sits there anyway

come, some, love the o sounds like the u in cup (done and none too)

gone, were heart words: learn them by heart
